

# NF Children's Tumor Foundation ENDURANCE

NAME  
COMPANY NAME  
COMPANY ADDRESS  
CITY/STATE/ZIP

Dear (NAME),

One in every 3,000 children is born with neurofibromatosis (NF), a genetic disorder that causes tumors to grow all over the body. We need to take action now so that no child or adult has to face the challenges of NF – learning disabilities, blindness, pain, deafness, cancer, disfigurement, bone defects and cardiovascular problems.

There is no cure for NF, but as a member of the NF Endurance Team, a fundraising support arm of the Children's Tumor Foundation, we are fighting to change that through funding research. I am training for the **NAME OF EVENT** on **DATE**. That is why I am writing to you. I need your help, your generosity and your support.

This year, our **EVENT NAME** team has set a goal of raising \$\_\_\_\_\_ and I am asking you to please make a contribution. There are two easy ways to make a donation:

- Make your check payable to the Children's Tumor Foundation and include the completed yellow form enclosed.
- Or, donate to my fundraising campaign online at **ACTIVE WEBSITE HERE**.

The Children's Tumor Foundation is the leading nonprofit organization dedicated to funding research aimed at finding treatments and a cure for NF. Your tax-deductible donation will ensure continued funding for critical research through clinical trials, young investigator awards and drug discovery initiatives.

When you donate to a NF Endurance event, you become part of a team driven to provide hope for the more than two million people who suffer from NF. Thank you in advance for your generosity.

If you have any questions, please contact me at **E-MAIL** or **PHONE**.

Warmest Regards,
