NF Camp is an annual summer camp dedicated to building a strong sense of community in teens and young adults living with NF1, NF2, and schwannomatosis. Each year we host three sets of a week-long summer camp experience for individuals ages 12 to 25. Opportunities are endless for teens and young adults beginning the instant they arrive at NF Camp. Often for the first time, campers can talk freely about living with NF, share their experiences, and make long-lasting friendships. NF Camp is a chance for young people to get away from the stresses of life. At camp they don’t have to worry about the next MRI or doctor appointment; they can be kids - have fun and enjoy life!

The Children’s Tumor Foundation hosts the NF Camp each year for those living with NF, of all backgrounds and abilities. Help bring this unique experience to all who wish to attend by becoming an NF Camp sponsor today! Your participation as a sponsor will have a life-long impact on a young person’s life.

If you would like to speak to someone about these sponsorship opportunities, please contact the NF Camp Director, Julie Pantoliano, at jpantoliano@ctf.org or (646) 738-8551.
Salt Lake City, Utah

To sponsor a camper online visit ctf.org/nfcamp
