Children’s Tumor Foundation

Children’s Tumor Foundation (CTF) is a nonprofit organization dedicated to finding effective treatments and supporting the millions of people worldwide living with neurofibromatosis. For more information, please visit www.ctf.org.

**Our mission:** Drive research, expand knowledge, and advance care for the NF community.

**Our vision:** End NF.

---

**how you can help**

There are many ways to help CTF find a cure for NF and provide support to families with NF.

- **Donations and Matching Gifts**
  Your donation supports our mission to develop effective treatments for NF.
  [www.ctf.org/donate](http://www.ctf.org/donate)

- **Advocacy – Make your Voice Heard!**
  Make your voice heard and ensure federal funding of NF research.
  [www.ctf.org/advocacy](http://www.ctf.org/advocacy)

- **NF Endurance Team**
  Whether running, walking, or biking – join us for a life-changing experience while raising NF awareness and research dollars.
  [www.nfendurance.org](http://www.nfendurance.org)

- **NF Walk**
  Join this fun-filled family event! Find one in your area or organize one with our help.
  [www.ctf.org/walk](http://www.ctf.org/walk)

- **NF Registry**
  Please join the NF Registry in order to provide critical information to researchers and help advance the development of clinical trials.
