The Gilbert Institute for Neurofibromatosis, with the support of the Children’s Tumor Foundation, is hosting our annual family day to support children with neurofibromatosis (NF) and their families. This event will provide the opportunity to interact with clinicians and researchers who work with children with NF.

Experts will discuss relevant topics including:
- Patient Engagement in Research
- Basics of ADHD
- Headache Management
- Pain and NF: Common Musculoskeletal issues
- Sleep Health and NF
- How to talk about NF with your child

**Keynote Speaker:**
Vanessa Merker, Ph.D., Mass General Research Institute

**Speakers:**
Miriam Bornhorst, M.D., Pediatric Neuro-Oncologist
Johanna Nielsen, Ph.D., Pediatric Neuropsychologist
Brynna Scherloum, MS, CCLS
Mi Ran Shin, M.D., MPH, Pediatric Physiatrist
Jeffrey Strelzik, M.D., Pediatric Neurologist
Ryan Uy, M.D., Developmental Pediatrician
Karin Walsh, Psy.D., Pediatric Neuropsychologist
