World NF Awareness Day “LIVE” Blue & Green Party Tips

What is a “Blue & Green Party”?

Watch parties are gatherings of 2 to 22 people - friends, family and other NF families in your area - who have come together to watch the annual World NF Day LIVE Event raising funds and awareness for the mission of CTF. They can be in your home, at a bar, a restaurant, or in your backyard!

Why should you host a “Watch Party”?

- You have a connection to someone with Neurofibromatosis (NF) or to the Children’s Tumor Foundation.
- You want to make NF Visible and help raise much needed funds for this great cause.
- You love the NF community AND hosting small cocktail parties!
- You won’t want to miss the World Premiere of our NF Documentary featuring Nicholas Lindeback (NF2) and Cateleya Castanon (NF1)

It’s easy. Here are the steps:

- Register for the event at ctf.org/live
- Contact Kim Robinson (krobinson@ctf.org) at the Foundation to talk about your plans for your Blue & Green party
- Choose a location - your home, a friends home or a location with a television that will livestream the event for a small group (make sure it has a television screen to livestream the event)
- Invite friends and family.
- Reach out to anyone you know who may be interested in being a cash sponsor for the party and/or May Awareness month. Anyone donating $5,000 + cash or in-kind will receive the benefits listed in the 2023 NF Awareness Month Sponsorship document. Any local cash or in-kind sponsors donating less than $5,000 will get recognition at the local Blue & Green parties. 2023 NF Awareness Sponsorship document. If you have any sponsorship questions, please reach out to Barbara Gallagher at bgallagher@ctf.org.
- HAVE FUN on May 17th!
