

Welcome to the Blue & Green Circle!

Members of the Blue and Green Circle support CTF with donations or fundraising of \$5,000 or more each year. As a member, you'll enjoy a variety of benefits, depending on your level of financial support, including early access to event registration, in person and virtual tours of research facilities, access to talks with CTF-funded researchers, and personalized recognition opportunities.

Ways to Give

The Children's Tumor Foundation's mission is to end NF through research. We are not able to achieve our mission without our volunteers, donors, fundraisers, and sponsors. Your generosity makes progress possible. Visit ctf.org/donate to make a gift and see all of the other ways to give.

MAKING A RECURRING GIFT

Provide ongoing support and stability for our work by enrolling as a monthly donor. Donate online at ctf.org/donate and select "monthly" as your donation frequency. Your gift will be automatically charged to your credit card monthly. You are able to adjust your giving level or cancel your commitment at any time.

MAKING A GIFT OF STOCK

Giving stock that has been held more than 12 months offers a two-fold tax savings: a tax-deduction for the full fair market value of the stock on the date of the gift and capital gains can be avoided.

IRA CHARITABLE GIVING

Individual Retirement Account (IRA) owners over age 70½ are eligible to make charitable gifts from their IRA accounts. Please contact your tax advisor for more information.

START A FAMILY FUND

When one person in a family has been diagnosed with NF, everyone in the family is affected: friends, colleagues and acquaintances as well. As such, creating a Family Fund is a wonderful opportunity to provide a lasting memory in honor of your loved one and a way for others to support your family. Visit ctf.org/family-funds to learn more.

CREATE A PERSONALIZED IN MEMORY PAGE

A meaningful way to remember your loved one and invite friends and family to contribute in their honor. You can add personal touches, like a photo and message. As long as the page stays active, it will remain a lasting tribute for memorial gifts.

Tribute and Memorial donation cards can be found at ctf.org/waystogive to share during a special occasion, at a funeral, or to notify others when you've made a gift on their behalf.

MATCHING GIFTS

Many employers sponsor matching gift programs and will match any charitable contributions or volunteer hours made by their employees. To find out if your company has a matching gift policy contact your employer's HR department.

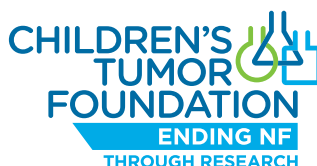

HOST A FACEBOOK FUNDRAISER

You'll be able to personalize your fundraiser and see who donates through your page and CTF will receive the donations from Facebook. If you need assistance setting up your fundraiser, we are happy to help!

Thank you for all you have already done supporting CTF and for considering other ways to help us end NF!

If you have any questions about any of these ways to give, please contact a member of our Individual Giving team at donorrelations@ctf.org.

To learn more, please contact the Foundation at info@ctf.org, or call us directly at 1-800-323-7938 or 212-344-6633.

BLUE & GREEN CIRCLE

The Children's Tumor Foundation

Blue & Green Circle Giving Society

Because of our Blue & Green Circle Members

We are breaking the barriers of NF research and living in a time when FDA-approved treatments for NF are not just a hope - but a reality.

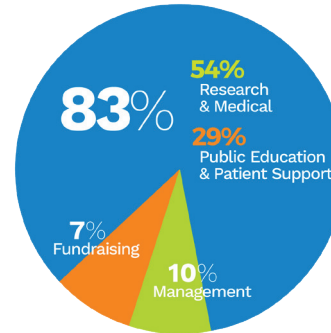

Thank you for paving the way toward effective treatments and improved lives for all those living with NF.

Thank You

We are deeply grateful for your commitment to CTF. Your work has helped improve the lives of millions of people living with NF worldwide. However, our work is not yet done, and we are counting on you and your continued support to find breakthroughs in treatments for all manifestations of NF.

It is because of our supporters that we have come so far, and we look forward to an even brighter future together.

The NF Legacy Society

By choosing to make a legacy or planned gift to the Children's Tumor Foundation, you join the Founder's Circle of our Blue & Green Circle and become a member of the NF Legacy Society. Your legacy gift will help ensure our mission continues, bringing hope for a future free from NF. Learn more at ctf.org/legacy.

Where the Money Goes

Funding for NF research, education, advocacy, and patient care comes from individual donors and organizations who support the Children's Tumor Foundation's (CTF) vision to end NF. A vision for which we are passionate.

We take pride in maintaining the highest integrity to allocate donor dollars wisely, consistently meeting or exceeding the standards of other nonprofits.

We want to end NF as fast as we can, by connecting the unconnected in novel and untraditional ways. Our innovative approach attracts the brightest minds in research and industry to NF, accelerates the pathway from discovery to treatment, and includes the voice of the patient every step of the way.
