

Welcome to the Blue & Green Circle!

Members of the Blue and Green Circle support CTF with donations or fundraising of \$1,000 or more each year. As a member, you'll enjoy a variety of benefits, depending on your level of financial support, including early access to event registration, in person and virtual tours of research facilities, access to talks with CTF-funded researchers, and personalized recognition opportunities.

Ways to Give

The Children's Tumor Foundation's mission is to end NF through research. We are not able to achieve our mission without our volunteers, donors, fundraisers, and sponsors. Your generosity makes progress possible.

MAKING A RECURRING GIFT

Provide ongoing support and stability for our work by enrolling as a monthly donor. Donate online at ctf.org/donate and select "monthly" as your donation frequency. Your gift will be automatically charged to your credit card monthly. You are able to adjust your giving level or cancel your commitment at any time.

MAKING A PLANNED LEGACY GIFT

Leave a lasting legacy of support by including CTF in your estate plans. Talk with your attorney or financial advisor for more information. Or go to freewill.com/ctf.

MAKING A GIFT OF STOCK

Giving stock that has been held more than 12 months offers a two-fold tax savings: a tax-deduction for the full fair market value of the stock on the date of the gift and capital gains can be avoided.

IRA CHARITABLE GIVING

Individual Retirement Account (IRA) owners over age 70½ are eligible to make charitable gifts from their IRA accounts. Please contact your tax advisor for more information.

START A FAMILY FUND

When one person in a family has been diagnosed with NF, everyone in the family is affected: friends, colleagues and acquaintances as well. As such, creating a Family Fund is a wonderful opportunity to provide a lasting memory in honor of your loved one and a way for others to support your family.

CREATE A PERSONALIZED TRIBUTES PAGE

Collect donations "in lieu of gifts," celebrate a milestone, or support someone going through a difficult time. You can personalize this page with text and a photo.

CREATE A PERSONALIZED MEMORIAM PAGE

A way to remember those who have recently passed and a way to provide a dedicated link for friends and family to make a donation in memory of your loved one. You can personalize this page with text and a photo. As long as the page remains active, you can continue to use it to solicit gifts in memory of your loved one.

Tribute and Memorial donation cards can be found at ctf.org/waystogive to share during a special occasion, at a funeral, or to notify others when you've made a gift on their behalf.

MATCHING GIFTS

Many employers sponsor matching gift programs and will match any charitable contributions or volunteer hours made by their employees. To find out if your company has a matching gift policy contact your employer's HR department.

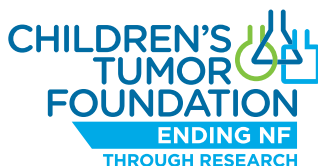

HOST A FACEBOOK FUNDRAISER

Visit facebook.com/childrenstumor, click "more" then "fundraisers" to set up a fundraiser right through Facebook. You'll be able to personalize your fundraiser and see who donates through your page and CTF will receive the donations from Facebook.

Thank you for all you have already done supporting CTF and for considering other ways to help us end NF!

If you have any questions about any of these ways to give, please contact a member of our Donor Relations team at donorrelations@ctf.org.
