

Neurofibromatosis Family Day

University of California San Francisco

Saturday June 7, 2025 8:30am to 2:00pm

Mission Hall Rm 1401

550 16th St, San Francisco, CA 94158

Join us for a day of education, connection, and empowerment at our Neurofibromatosis Family Day. This special event is designed for patients of all ages, their families, and caregivers. Learn about the latest advances in NF research, treatment options, and care strategies from leading experts in the field. Together, we'll build a stronger, more informed NF community. Complimentary breakfast and lunch will be provided. Kids ages 4 and up can join in games and supervised activities while parents attend sessions. Take a behind-the-scenes tour of cutting-edge research labs and discover exciting developments in NF science — and so much more!
